

## Mechanist Facility

Cardia1 (Pedro Quintela)

October 19<sup>th</sup> 2008

Objectives:

- Loot Goal: 3100 (Normal), 3300 (Hard), 3500 (Expert)
- Try to get yourself the rust gas canister .
- Don't forget to get the cultivator.
- Find the Darth Cog and kill him! (Hard, Expert)
- Once you're finished with all this mess, get back to the starting point.

*Where's the rust gas canister?*

Go to the south and turn west. There should be a lava pool. Look in the left (SW) corner.

*Where's the cultivator?*

Go to the north. Look for a table on an upper walkway.

*Where do I find Darth Cog?*

He's hanging out on the east side and looks like this:

**Darth Cog—he sounds like a combat bot.**
